

Maxim in Haiku 65 - 67

**Care for the neighbor.
Perform all that is needed.
Neglect no person.**

Be exact and diligent to do what you are advised or what is required by your duties, especially when these are useful or necessary for the neighbor. Maxim 65

**Be full of courage.
Do God's will and persevere
against obstacles.**

Be courageous to undertake what God wants of you and constant to persevere in what you undertake, never giving up, whatever difficulties occur and whatever obstacles may be placed in your path unless you become totally powerless against them. Maxim 66

**Pursue what resolved.
Your vigor and gentleness
will bring God glory.**

Accordingly, pursue to the very end and with gentleness and vigor what you have once and for all resolved and what you prudently believe corresponds to the greater glory of God. Maxim 67
