

Geri Costigan, CSJA

I grew up in a middle class family in East Boston, MA. I am the youngest of 13 children. I have been married for 55 years to my husband Ray. We have 3 wonderful children and 5 wonderful grandchildren. We have resided in Saugus for the past 50 years. My parents were very influential in my spirituality growing up. I started participating in Sr. Mary O'Rourke's spiritual programs at Blessed Sacrament Parish along with Cursillo which opened a new door in my life. Sr. Mary invited me to come and see at a Commitment Ceremony in 2006. I began attending the gatherings and made my commitment in 2008. My involvement with the Casserly House Summer Camp, the Hospitality Committee, sending birthday card and being able to volunteer wherever and whenever makes me feel connected with the sisters and associates. The past 9 years have been a wonderful experience in my life, enabling me to deepen my spiritual life and to grow in the charism of the Sisters of St. Joseph. I feel blessed and grateful. The associate relationship continues to inspire me.
