

Lydia Viescas, CSJA

My name is Lydia Viescas. I was born in Mexico but moved to Clovis, New Mexico when I was seven years old. I am a member of Our Lady of Guadalupe Parish. My ministries include cleaning the church and helping with the funeral ministry. I attend prayer groups on Mondays, daily mass, and serve as adoration Eucharistic Minister. During the week, I work in the elementary school cafeteria as a cook. I love my job because I love serving the children a nice warm meal. It warms my heart to know that they are getting a good meal each day. This work is a blessing at times, but it can also be very challenging. As Maxim 30 says, "In difficult times, with little chance for success, trust strongly in God", as written by Sister Frances Agnes Blake in Haiku. I joined the associates in 2005 and I have loved being an associate. I chose my latest job so that I would be free to gather with the other associates for meeting and prayer. As an associate, I grow spiritually, as I walk with God. I try to make the Maxims an important part of my daily life.
