

Martha Telles, CSJA

My name is Martha Telles. I was born, raised, and married in El Paso, Texas. Robert and I have been married for 56 years. We have nine grown children, 25 grandchildren, 17 great-grandchildren, and two more on the way. We moved to Clovis in 1962 and became members of Our Lady of Guadalupe three years later. I have been active in various ministries – lector, Eucharistic Minister, Parish Council President, School Board, Spanish Choir, and CCD. I have participated in the annual Fiestas and the Burrito Booth at the County fair. I am retired from the Clovis Schools where I worked for 32 years as educational assistant, office secretary, and finally in the baby nursery at the high school for students and teachers. I became acquainted with the associates through Sister Rose Urban in 2005. I thoroughly enjoy being a member and I try to live up to the Maxims. Nowadays, Robert and I babysit for our great-grandchildren, or respond to anyone else who needs help. My legacy is leaving friendship, love and knowledge to my students, family and friends whose lives I have touched throughout the years. I try to keep in touch so that I can respond to the needs of others.
