

# **Pandemic Angels**

*From March through November 2020, many of The Literacy Connection's friends, family members, Sisters, CSJ Associates, and Agreees made specific donations of groceries, supermarket gift cards and money to be used for emergency situations. Their generous gifts allowed us to distribute over \$7,500 assisting families who had lost jobs, and were trying to keep up with rent and other expenses. We and our families extend our deep and sincere gratitude to our "Pandemic Angels"!*
